LYON FOURVIÈRE

LYON

The image is an aerial photograph of the Lyon Fourvière archaeological site. It features a large, well-preserved Roman amphitheater in the center, characterized by its elliptical shape and tiered seating. To the left of the amphitheater, there is a dense cluster of rectangular stone structures, likely the remains of a Roman city or temple complex. To the right, there are more open areas with paved walkways and some green spaces. The overall layout is organized around the central amphitheater. Overlaid on the image is the text "LYON FOURVIÈRE" in a large, bold, black sans-serif font, with "LYON" on one line and "FOURVIÈRE" on the line above it. Below this, centered on the amphitheater, is the word "LYON" in a slightly smaller but also bold black font.

A grayscale aerial photograph of a dense forest. A small, irregularly shaped green area is highlighted in the upper right quadrant, representing a specific location or plot of land. The surrounding terrain is characterized by various shades of gray, indicating different types of vegetation and terrain elevation.

A detailed aerial orthophoto of the city of Pointe-à-Pitre, Guadeloupe. The image shows a dense urban area along the coast, with a mix of residential buildings, larger structures like industrial facilities and port areas, and green spaces. The city is built on a peninsula, with the sea visible on multiple sides. A major road or railway line runs through the center of the urban sprawl. In the foreground, there's a marina with many boats docked. The surrounding terrain is hilly and covered in green vegetation.

An aerial photograph of a sprawling urban area, likely Melbourne, Australia, showing a dense grid of residential houses, industrial buildings, and green spaces. A prominent, extremely tall skyscraper, which appears to be a composite of the Eiffel Tower and the Burj Khalifa, stands vertically in the center of the frame, casting a long shadow to the right. The sky is clear and blue.

COMBIEN D'ÉTAGES ?

An aerial photograph of a dense urban area, likely Melbourne, Australia, showing a mix of residential houses, industrial buildings, and green spaces. A prominent skyscraper, the Eureka Tower, is visible in the center-left. The sky is clear and blue.
